

## tML® - Blind Module for Rack Mount Enclosure 1U

## tML® - tde Modular Link

tML® is a patented, modular cabling system consisting of the three key components module, trunk cable and rack mount enclosure. The system components are 100 percent manufactured, pre-assembled and tested in Germany. They enable plug-and-play installation on site – especially in data centres, but also in industrial environments – within the shortest possible time. Heart of the system are the rear MPO/MTP® and Telco connectors, which can be used to connect at least six or twelve ports at a time. Depending on the module configuration, transfer rates of up to 200G are currently possible with SR4. The fibre optic and TP modules can be used together in a module carrier with a very high port density. The tde offers its tML® cabling system as a proven tML® standard system and in the highly innovative variants tML® Xtended, tML® 24 System and now tML® 32 System for extreme scalability and very easy migration to higher transmission rates such as 40G, 100G, 200G and 400G.

The tML® - Blind Module is intended for the cover of unused slots and as a stand-off existing modules in the tML® - Rack Mount Enclosure 1U.

## tML<sup>®</sup> - Blind Module for Rack Mount Enclosure 1U

### Technical Data

Type	Blind Module
Material	Stainless steel
Fixation	At the front panel of the tML <sup>®</sup> -Rack Mount Enclosure with two screws.
	QS-Management system ISO 9001, ISO 14001 and TL 9000

### Product variants & accessories

Art.-No.	Description
TML-10/1HE-4-M	tML <sup>®</sup> - Rack Mount Enclosures 10"/1U stainless steel frontplate for 4 x modules
TML-19/1HE-8-CO-2	tML <sup>®</sup> - Cover for Rack Mount Enclosures 19"/1U, black
TML-M-BLIND	tML <sup>®</sup> - Module Blind Plate for Rack Mount Enclosure 10" or 19"/1U
TML-M-STUETZE	tML <sup>®</sup> - Blind Module for Rack Mount Enclosure 1U
