

tBL<sup>®</sup> - termination block AWG 26-27, transparent white for stranded cables

## tBL<sup>®</sup> - tde Basic Link (TP)

tBL<sup>®</sup> tde Basic Link (TP) is a complete system solution for structured cabling in Cat6A for transfer rates of up to 10GbE in real time. The tBL<sup>®</sup> - cabling link corresponds to a permanent link in accordance with ISO / IEC 11801 (EN 50173). The RJ45 modules are available in the form factors Keystone (KS) and Data Center (DC). The compact design of the 6fold RJ45 DC module allows a high packing density of up to 48 RJ45 ports on 1U. The RJ45 module is connected to the tBL<sup>®</sup> - cable termination block by simply plugging. The slim cable termination block can be easily assembled on the cable by using the tBL<sup>®</sup> - crimp tool and is suitable for preterminated cables. The modular design of individual RJ45 modules are interchangeable at any time without termination. The RJ45 modules are optional with a LID - Light ID function available. This feature facilitates searching of related ports within a cable link. A cost effective alternative product is the RJ45 keystone module without cable termination block in the tool-less design.

The system solution is complemented by an extensive portfolio of carrier systems. These include design-capable data outlets, floor box frames, Consolidation points, DIN rail modules and patch panels in 1/2 and 1U.

The tBL<sup>®</sup> - cable termination block belongs to the tBL - Data Center- or

tBL<sup>®</sup> - termination block AWG 26-27, transparent white for stranded cables

Keystone-Module.

## Technical Data

Construction	plastic with insulation displacement connection
Gold plating termination block	30 μ"
Color	transparent white
Application	Flex cable AWG 26 - AWG 27, alternative AWG 26 Solid Wire
	Plug bears small flag-like installation guide with color codes for pin-out according to EIA/TIA 568 A and B.

## Product variants & accessories

Art.-No.	Description
TBL-KT22/24GE	tBL <sup>®</sup> - termination block AWG 22-24, transparent yellow for installation cables
TBL-KT26/27WS	tBL <sup>®</sup> - termination block AWG 26-27, transparent white for stranded cables
TBL-RJ45KS	tBL <sup>®</sup> - RJ45 Keystone Module Cat.6 <sub>A</sub> ISO/IEC w/o termination block
TBL-RJ45KSL	tBL <sup>®</sup> - RJ45 Keystone Module Cat.6 <sub>A</sub> ISO/IEC with LID w/o termination block
