tBL® - termination block AWG 22-24,transparent yellow for installation cables

tBL® - tde Basic Link (TP)

tBL® tde Basic Link (TP) is a complete system solution for structured cabling in Cat6A for transfer rates of up to 10GbE in real time. The tBL® - cabling link corresponds to a permanent link in accordance with ISO / IEC 11801 (EN 50173). The RJ45 modules are available in the form factors Keystone (KS) and Data Center (DC). The compact design of the 6fold RJ45 DC module allows a high packing density of up to 48 RJ45 ports on 1U. The RJ45 module is connected to the tBL® - cable termination block by simply plugging. The slim cable termination block can be easily assembled on the cable by using the tBL® - crimp tool and is suitable for preterminated cables. The modular design of individual RJ45 modules are interchangeable at any time without termination. A cost effective alternative product is the RJ45 keystone module without cable termination block in the tool-less design.

The system solution is complemented by an extensive portfolio of carrier systems. These include design-capable data outlets, floor box frames, Consolidation points, DIN rail modules and patch panels in 1/2 and 1U.

The tBL® - cable termination block belongs to the tBL - Data Center- or Keystone-Module.

tBL® - termination block AWG 22-24,transparent yellow for installation cables

Technical Data

Construction	plastic with insulation displacement connection
Gold plating termination block	30 µ"
Color	transparent yellow
Application	Installation cable with solid wire, AWG 22 to AWG 24 and flex.
	Plug bears small flag-like installation guide with color codes for pin-out according to EIA/TIA 568 A and B.

Product variants & accessories

Art.-No.	Description
TBL-KT22/24GE	tBL® - termination block AWG 22-24,transparent yellow for installation cables
TBL-KT26/27WS	tBL® - termination block AWG 26-27, transparent white for stranded cables
TBL-RJ45KS	tBL® - RJ45 Keystone Module Cat.6$_A$ ISO/IEC w/o termination block
TBL-RJ45KSW	tBL® - RJ45 Keystone Module Cat.6$_A$ ISO/IEC w/o termination block, angled
