tBL® - FO breakout panel 19'' 1U 24x LC Duplex Adapter, blue

tBL® - tde Basic Link (FO Enclosures)

The FO enclosures of the tBL® - tde Basic Link series are optimized products with a high functionality and an easy handling at the installation. The program includes splice and breakout boxes for 19 inch, wall and DIN rail mounting. These products are characterized by a high port density and an optimal fiber management, so that the permissible bending radii can't be undercut. Moreover, there are no sharp corners or edges, to avoid damage to the pigtails and buffer tubes. The front plates are removable. There are versions for E2000, FC, PC, LC, MPO / MTP, MTRJ, MU, SC, and ST. These products can be obtained with or without equipment. In addition, there are also special versions with IP66 for outdoor and offshore applications.

tBL® - FO breakout panel 19'' 1U 24x LC Duplex Adapter, blue

Technical Data

Alternative pre-mounted	TBL-PF24-xxLCD-BL (see below)
xx	(01 - 24) quantity of adapters

FO Splice Boxes

Type	Breakout panel with cable catch
Material	Sheet steel
Color	RAL 7035
Dimensions	19" 1U 240mm depth
Labeling	1 - 24 (silk screen)
Configuration	Attachment up to 24x SC Simplex, LC Duplex, E2000 Simplex or MPO adapter

FO Adapters

Type	LC Duplex (translucent dust covers)
Application	Singlemode OS2 PC
Design	One-Piece with Flange
Connector style	SC Simplex
Color	Blue
Material	Plastic
Sleeve	Zirkonia Staight Split
Shutter	-
Manufacturer	tde

Type	Mounting set M5
	Set of 4 (cage nuts and screws)
